## ITI Scholarship Application

Through a grant from the Cebrin Goodman Foundation, Operation Snowball, Inc. is able to distribute scholarships to OS chapters to attend the Illinois Teen Institute (ITI). These scholarships are meant to promote leadership development and chapter/community action planning. It is our goal to award at least five scholarships to accredited OS chapters who are able to attend ITI as a team of five or more participants with a volunteer adult staff member.

Applications will be reviewed on a first-come, first-serve basis using the following criteria:

- Applications are complete and signed in the proper locations of application
- Adult volunteer staff are approved by the ITI Program Manager
- A short essay including the goal for your Snowball in attending and how you intend to transfer what is gained to your school/community and not just to Snowball.
- Willing to become "ITI Ambassadors" encouraging more students from school to attend ITI.

Please mail all completed applications and essay to the address before April 30, 2010:
